Take Your Ride Outside in Stride - Kerrits Releases New Protective Breeches

English Riding Apparel

Ride in style, ride with gusto, ride like the wind, but don't stop riding when the sky opens up! The Kerrit Knickers are a functional way to quickly and conveniently cover up! Gone are the days of bulky cover-ups, "We set out to design an over-pant that was meant to be ridden in" says Kerri Kent, owner and designer of Kerrits. "The capri length with an adjustable elastic toggle means riders can customize the knickers to fit their needs."

Kerrits Knickers are lightweight, fully waterproof with the addition of our exclusive GripStretch™ euro-fullseat to keep you secure. Full length zippers enable you to both put on and take off while mounted. Perfect for protecting your show breeches during that all important warm-up!
