### A Cut Above

Kerrits spent countless hours perfecting the pocket placement in its new **Denim Bootcut riding pant** to make it both flattering and functional. Made from cotton-infused technical fabric, the bootcut sports all the bells and whistles that give it an authentic stretch-jean look: belt loops, a yoke in the back and traditional contrast stitching. Denim; ladies' XS-XL regular and tall; \$79; [www.kerrits.com](http://www.kerrits.com).
